Dear All,

We thank you for your participation in submitting your paper to ISCPFM 2019 Conference Proceedings that will be issued by IOP Publishing. We apologize for the length of time required for processing the paper. The paper has been reviewed, edited, and proofread (if necessary) by the reviewer and the editorial team. Our technical team has made some adjustments to your paper to meet the format and template required by IOP Publishing and the processes have been completed.

Enclosed is the final version of your paper. Please check the author's names, affiliations and email correspondence. Kindly be advised, at this stage only minor revision -should there be any- will be accepted. For any minor revision, please list the point of revision in the attached form in word format and for any figure needs to be amended, please share it by this email in jpeg/png format. **Please do not submit any new revision in word or pdf format.**

Keep in mind that your paper will be printed in black and white for a hardcopy version. Therefore, it is necessary to provide correct arrangement so the reader will not lose any information when printed in black and white for a hardcopy version.

We look forward to your response **by June 15, 2020, 14:00 pm at the latest**. Should no concern be received up to the stated deadline, we assume you agree with the attached final version of this paper. Kindly be reminded that there is no erratum or corrigendum after the publisher prints it.

Your earliest response would be greatly appreciated. Thank you for your attention and cooperation.

Best regards,

On behalf of the editorial board of the 4th ISCPFM Conference  
Prof. Dr. Ivandini T. Anggraningrum
