Progression to Dissertation: MSc Human Resource Management and Development

Dear Dyah,

I am writing to confirm that the IDPM Postgraduate Exam Board has now taken place and results for postgraduate students are now ready to view. The Examination Board resolved that you can formally progress your dissertation.

You can view your results online. The attached document provides information on how to access your results via My Manchester. Remember to select Self Service Enrollment View my Grades. An alternative method to viewing your grades is as follows: login My Manchester, select Self Service Enrollment View My Assignments. From there select the academic year that you wish to review your results for and the click continue (through these screens you can only see one academic year at a time). From this screen you can see your overall grade but also get details of how this was made up from your assignment marks and tutorial contributions.

Your dissertation supervisor will be **Dr. Dewi P. Faeni**: dfaeni@yahoo.com. Please do get in touch with **Dr. Dewi P. Faeni** as soon as possible to begin the supervision process.

Your submission deadline for your dissertation is Tuesday 3rd January 2017. Students will be asked to submit their dissertation in electronic form through Blackboard. Please note it is not a requirement that you produce a bound copy.

All dissertations must now be anonymized, as with all other course work. Therefore, the university now requires that you put your Student ID number and not your name on title page of your dissertation.

All dissertations must now be anonymized, as with all other course work. Therefore, the university now requires that you put your Student ID number and not your name on title page of your dissertation. I attach a copy of a sample title page showing the required format. I am also attaching a copy of the IDPM Dissertation Handbook 2015-16 for your information and a copy of the SEED

Dissertation Title and Ethics Form 2015-16, which is due for return to me no later than 30th September 2016.

If you have difficulty viewing your results online, you may have had your results withheld due to a tuition fee debt recorded against your record. I would strongly advise you to contact the Credit Control Office as soon as possible, either by telephone on 0161 275 8137 or in person by visiting the Student Service Centre, to clarify what you need to do next. Please do not contact me regarding this, as I do not have access to the fees side of your record. You must speak to the Credit Control Office directly to resolve this.

You will not be able to have your results confirmed over the phone. If you are a sponsored student and require an unofficial transcript of results, you should contact your Programmed Administrator to request this. Please note we would normally expect 7 days' notice to produce these.

If you have any additional queries other than what has been noted above, please do not hesitate to contact me.

Kind Regards,

Kate Robinson
