Dear Ms. Maria Georgieva

Greetings!

Thank you in advance for the previous invoice that I received and several email reminders.

Several updates that I would like to inform :

1. I commit to pay the fee of 620 EUR **at the end of August 2023** or one month earlier than the deadline in September 2023
2. Before the payment I made at the end of August, I would like to add a co-author for the paper. I hope that there's still an opportunity for author changes.
