3. Description of Activity:
 - a. Faculty of Psychology, University Bhayangkara Jakarta Raya explained about various types of domestic violence in Indonesia such as: child abuse, sexual abuse, family abusive behavior, etc. According to the Ministry of Women Empowerment and Child Protection, there are more than 21.000 violence cases happened in 2023. This has become one of the government concerns that leads to the birth of breakthrough program which involve helping professions (Social worker, Psychologist, Doctor, Nurse, Teacher, and also social volunteer).
 - b. Care Corner Singapore initiated Care Corner Project Start (CCPS) as a Ministry of Social and Family Development (MSF) appointed Protection Specialist Centre (PSC). They believe that everyone deserves to be safe and feel safe. Healing from violence is possible and they provide the services needed. Violence comes in many forms include; physical, psychological, emotional, sexual, financial, neglect, and self-neglect. There are ways to support a victim of abuse such as keep calm, listen without judgement, encourage them to seek help, contact relevant agencies.
 - c. Sharing session between Faculty of Psychology, University Bhayangkara Jakarta Raya and Care Corner Singapore was based on its experience in both country – Indonesia and Singapore from the perspective of psychology and social worker.
4. Budget: 27.000.000 IDR.
5. Place and Date: Singapore, 6 December 2023.
6. Partner/Organization:
 - a. Ian Christopher Peterson, Director, Family and Community Services
 - b. Martin Chok, Deputy Director, Family and Community Services
