

Dear Wustari Mangundjaya, Mira Sekar Arumi, Seta A Wicaksana:

We have reached a decision regarding your submission to Revista de Gestão Social e Ambiental, "How diversities in demographic have related to Psychological Empowerment?".

Our decision is: **Revisions Required**

The reviewers recommended that the following details be observed in your paper:

- The abstract should be in the structured mode, according to other articles published in the journal.
- The article must necessarily be divided into: 1) INTRODUCTION (in plain text, without subtitles, presenting contextualization, objective or research question, and justification), 2) THEORETICAL FRAMEWORK, 3) METHODOLOGY, 4) RESULTS AND DISCUSSION, 5) CONCLUSION, 6) REFERENCES.
- We ask you to cite at least 2 papers published in the Journal of Social and Environmental Management - <https://rgsa.emnuvens.com.br/> or in the Journal of Law and Sustainable Development - <https://www.journalsdg.org/jlss> (journals belonging to Open Access Publications).
- Send the revised article and data in word format according to the template available on the Ojs
- All tables and figures must contain a title and mention their research source. Anything that is not a table will be considered a figure. Examples: drawing, diagram, flowchart, photograph, graph, map, organization chart, plan, table, portrait, figure, image, tables, among others. And tables show exact numerical values, and the data is neatly arranged in rows and columns.
- The author's data should follow the model below:
