## THE IMPACT OF TAX AVOIDANCE AND AUDIT QUALITY ON TAX AMNESTY PROGRAM

The Undana E-Journal (<http://ejournal.undana.ac.id>) is a documentation and information center for the scientific article of Universitas Nusa Cendana (Undana). This portal provided a forum for publishing research results: lecturers, academics, industry, and the general public. Visitors can search through article titles, authors, and categories based on journal names and can download articles in full text. If visitors are interested in publishing their writing online, they can contact the manager of the Nusa Cendana Journal.
