Important Remark

Note that Reviews are deleted from this Web Site, when the reviewers or the authors of the articles will ask it (especially in cases that we have "Rejection") or when WSEAS discover inadequate Review or Review with inappropriate rhetoric in the comments of the Reviewers.

List with 14000 Reviewers

We are proud that we have a list of almost 14000 reviewers who are responsible for evaluating papers submitted to WSEAS Journals. The list is incomplete as more scientists are invited by the Editors-in-Chief to review papers. In case of omissions, contact us.

offered substantial, important, line by line peer review with several comments, important remarks and hints for the article for the journal

WSEAS TRANSACTIONS ON ENVIRONMENT AND DEVELOPMENT

The Editor-in-Chief of the journal would like to thank you also for your many thoughtful comments, important remarks, hints, questions, and in general for your really great effort for reviewing this manuscript. Your judgement has helped the Journals and the WSEAS. The strict peer review of all the papers is really very important for us for maintaining the quality of publications as well as the academic integrity of the journal and of the WSEAS publisher. You can post this Certification on the Web, Social Media, Your Website, Blog etc and you can forward it to your dean. Save a copy of this Certification in your records also for further usage. This is especially useful for young scholars.
